A: Normally, for this slideshow there are 10 slides. But when the slides are too small, I will include other functions such as a clock, a timer, a song, a video etc. Q: I have four slides, but only two slides show up on the screen at the same time. Why? A: This app works on Mac or Windows. But I have tested it on Mac and it doesn't work. So I think it's the Windows problem. Q: Can I use this app on my iPod touch? A: I don't know. I will check it and add it to the description when I find out. Q: How to turn the screen off? A: Turn it off with these actions: on/off power button, lock/unlock your phone, call/text your friend. Q: How to turn on the screen? A: Press the power button of your iPhone. Q: I can't use this app on my Mac. A: I don't know why. But I will try it and will report back. Q: Why do I have to press the power button on my iPhone for several seconds? A: Press the power button of your iPhone once to turn it on, several times to turn it off. Q: Can I send an email, 77a5ca646e
