Whether you are a man looking for your first potential girlfriend, or a woman trying to find a potential boyfriend, timing is everything. Now, we are going to help you decide when is the best time to ask a woman out. We looked at data from Tinder users in 42 cities to see which dates work best and which are best avoided. To start, you need to understand the size of the city, and how many people in it use the dating app. If you are in a big city, like New York, Los Angeles, or San Francisco, this means that millions of people use Tinder on a daily basis. In smaller cities, like Lawrence, Kansas or New Haven, there might only be a few thousand users. It's important to know these things before starting a conversation with a woman you like. When should you ask out a woman? Before we get into the specifics of when the best times 648931e174
