Eoghan: i'm a little confused, i thought it meant you have had your password in that email... If you're thinking I was talking to you about using a virus to steal money, I know nothing about it. This is not a pirated copy of the book. I was completely aware of what this post was about when I wrote it, and I agree with everything in it, but the book is from Amazon, which you can buy a legit copy of if you wish. Daron: so would you like to make a deal with me? Abbie: what kind of deal? Daron: if I don't give you the password to my public git repo, then you won't have to beg for the time to deal with the spam in your email box - I promise there won't be any illegal downloads on my site. Daron: it'll probably help me out a bit too. Daron: (in your private git repo) Daron: \$DARON-NECKEY\_KEYGEN Daron: (the key files) Malwarebytesantimalwarecrackkeygenerator If it takes me more than a minute to sign up to ask for money, it's safe to assume that I'm not going to be taking your money, no matter how attractive your website or claims. There are a lot of scammers out there, and once I've turned down one, I know I've turned down the vast majority of them. COPE represents, in writing, a kind of rage, one that I'm not ashamed of. I couldn't care less whether other people admire or disapprove of what I've put down. Hang on for a minute. What doth it profit a man to gain the whole world and to lose his soul? Again, thank you. chicagomitch: If you want to learn how to run your business effectively, without fluff, why not start here Oleg Shmatko: 6 RETAILERS SAY DO NOT SHIP ME BOOKS, BECAUSE THEY MAKE IT HARD FOR ME TO SELL THEM. chicagomitch: Dude, that's damn rude. I'm giving away my time and at the same time, teaching you to run a business. Do I expect you to say nice things to me? No. chicagom
