Cadmas 11 Torrent Full Version added by users Â·.Share this article on LinkedIn Email Renault Sport F1 is preparing to announce an alliance with Alpinestars which could see it become the new helmet supplier for the team. Formula 1's other factories were previously granted licences by F1 bosses to manufacture and supply helmets for their teams. The new arrangement is expected to be announced in the coming days and will involve manufacturers producing their products in the UK. Alpinestars will supply high-end products, with Renault supplying low-end models. Alpinestars will also work on the F1 team's testing regime. An F1 source said: "The reasons why Renault has chosen Alpinestars is that there is a wealth of technology in the UK and it has a fine selection. "They also have a very high-quality product and great resources. Alpinestars are the leading technical performance company in the world and their products will be well within the limits we are working within." The deal will also involve a raft of marketing, race and safety benefits. The source said: "It could also help with the image of the sport as Alpinestars are not associated with Formula 1. "It's also great for Alpinestars to have a 6d1f23a050
