Best Android game app for FREE.On November 25, Trump made history by being the first President to try to win the election by appealing to the emotions, rather than the intellect, of the voters. The far more bizarre aspect of his rambling, free-floating, incoherent, meandering speech is that he was referring to himself in the third person. To win the election, he said, "You have to come along on a journey with me. I have been on this journey for a long time, longer than anyone who has run for this office, and
